Register NOW

Call for Poster Submission

AOAC SEA is holding a **Scientific Poster Presentation Session** for industries, regulators and academics at our 2nd Annual Conference in Vietnam.

Works submitted should align with our conference theme on *Facilitating Compliance for Food Safety and Quality in International Trade*. Topics of the conference include various areas of food safety and analytical science, such as adulteration, contamination, microbiology, ingredients, bioactive substances, genetic modification and alternative proteins. Studies with relations to toxicity on human health or environment, with implications on trade, are also welcome.

All submissions must be completed online **before 18 June 2023**.

Submit abstract

Deadline of 2023 Student Awards applications is JUNE 5th

The Student Awards Program is one of the activities of AOAC SEA's Training of Young Scientists Working Group and led by Dr. Ching Jianhong this year.

To bring the scientific confidence experiences to as many students as possible, we will support potential candidates with **12 Student Travel Awards** to participate in the competition, and then give **3 Best Poster Presentation Awards** to the most outstanding ones.

The deadline for all 2023 Student Awards applications is **5 June 2023**. We have received applications from 5 countries and look forward to more participations from the region.

Apply for Student
Awards

With love!

AOAC SEA's work is done by driven, talented volunteer scientists from industry, government, academia, and NGOs. Together, we hope to create positive impacts to scientific communities, the economies and public health.

The above pictures are from the Asia Pacific Food Analysis Network (APFAN) International Workshop held in partnership with the Philippine Department of Science and Technology's Food and Nutrition Research Institute (DOST-FNRI) and Industrial Technology Development Institute (DOST-ITDI).

Many thanks to AOAC SEA speakers and volunteers at the event! <3

We appreciate the generous support of the 2023 AOAC SEA Conference Sponsors who help bring the conference themed *Facilitating Compliance for Food Safety and Quality in International Trade* to the needed community in the

region, and thus serve AOAC SEA's mission in convening government, industry and academia to develop and validate standards, methods and technologies, and ensure the safety and integrity of foods and other products that impact public health.

THANK YOU!
